ASB Vice President:

2. **Leah Higgins**-If elected to fill the position of ASB Vice President, I will be a leader among leaders within the ASB class by demanding quality work, long-term commitment, and critical thinking from myself and each other person the voters choose. It is important to me for all of our ASB members to remember their positions are not for them, but for the job they were chosen to do and the people who chose them to do it. Therefore, in decisions we make that affect the greater school population, and in the events we put on for the whole school to see (such as rallies, lunch-time events, seasonal events like the Haunted House or Homecoming Picnic, and finally the Congressional Meetings) I will be a voice for inclusion, creativity, and adequate preparation. Given my experience in ASB, as well as my devotion to the school through Camp Everytown, the Environmental Club, Sixth Man events, Unidos tutoring, pod-leading, and the Oracle, I think I am the most qualified and dignified person to represent this school that I love so much, as ASB Vice President.
